INTERNATIONAL SEARCH REPORT

International application No.

	PCT/AU03/01254
Box I	Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)
This interressons:	mational search report has not been established in respect of certain claims under Article 17(2)(a) for the following
1.	Claims Nos:
	because they relate to subject matter not required to be searched by this Authority, namely:
	· ·
2.	Chaires Nos :
	because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically;
3.	Claims Nos:
	because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a)
Вох П	Observations where unity of invention is lacking (Continuation of item 3 of first sheet)
This Inte	
Claim	mational Searching Authority found multiple inventions in this international application, as follows:  ns 1-20, 39-42 relate to a method/ apparatus for delivering a test to a candidate based on questions delivered
Clain	in the series of the second and the series of the second series of the second second series of the second s
1,,	As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims
2.	As all scarchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of any additional fee.
<b>3.</b>	As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos.:
4.	No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claims Nos.:  on Protest  The additional search fees were accompanied by the applicant's protest.
	<del></del>
	No protest accompanied the payment of additional search fees.

Form PCT/ISA/210 (continuation of first sheet(1)) (July 1998)

Information on patent family members

International application No. PCT/AU03/01254

This Annex lists the known "A" publication level patent family members relating to the patent documents cited in the above-mentioned international search report. The Australian Patent Office is in no way liable for these particulars which are merely given for the purpose of information.
